Decision

Matter of: Test Systems Associates, Inc.--
Reconsideration

File: B-256813.4

Date: June 28, 1994

DECISION

Test Systems Associates, Inc. requests reconsideration of our June 3, 1994, dismissal of its protest against the award of a contract to D.K. Dixon and Company, Inc. under solicitation No. N00189-93-R-0378, issued by the Department of the Navy.

This matter is academic. The protester has since filed another protest with our Office regarding this matter and has filed suit in the federal district court which has requested our Office to issue a decision for the court to resolve the case. We will therefore consider this matter in connection with the other pending protest.

The request for reconsideration is denied.
